

GALLAUDET UNIVERSITY
 Taking the Strategic Plan Operational
 FY 2009 Action Plan
 3/17/08

Goal:	Goal 1: Maintains and strengthen Gallaudet's unique position as a place in which higher education, research, and scholarly pursuits of all kinds are conducted in an inclusive environment where the ASL/English bilingual communication abilities and potential of deaf students are fully realized.		
Objective:	1.1 <i>Raise levels of fluency and literacy in English and ASL that will permit direct communication in academic settings.</i>		
Strategy or Task:	Develop evaluation tools and competency standards for English and ASL.		
Primary Responsibility:	Co chairs, GULPMT; Chair, English	Other responsible individuals:	Director, Assessment Director, OIR
Action Dean(s):	Dean GSPP	Coord Dean(s):	Deans CLAST
Deadline:	8/15/09 for definition of competence & development of pilot evaluation tools.	Resources	TBD
Assessment:	Success TBD by completion of task.		
Comments:	Developing both tools and standards for ASL will be a time-consuming and difficult process, as experience with doing so with English over the past 30 plus years shows. The English Dept already has both tools and standards which it will review and perhaps revise.
